International Programs
NORTH CAROLINA STATE UNIVERSITY
January 13, 2022

Presentation by Jonathan Brewster, NC Japan Center, on FIU Global Learning Forum 2021

Presentation by Heidi Hobbs on QEP proposal

Feedback/Discussion:

QEP proposal is very compelling - How to get traction?

Cultural awareness vs competency - what is the difference?

How to improve faculty international experience to create a global learning culture?

Purdue University model has funding for junior faculty for international activities.

For virtual connections to work, we need to identify how to connect and network.

Can virtual connections bridge the gap? Can there be an international office in every college?

Encourage faculty to take advantage of conference connections.

Visiting scholars may be a key to success but will need to streamline documentation when possible and develop more housing options.
