

Committee on International Programs
Meeting Agenda Sept 8, 2022

Introductions

Heidi Hobbs, Interim Vice Provost, Office of Global Engagement - Review the objectives and responsibilities of the committee. Provide updates from NC State Global.

Passport Fair – member participation.

Breakout groups – committee members discuss the following general question:
What can we do to encourage faculty to participate in Global Engagement opportunities at NCSU?

Below is a list of global engagement opportunities for faculty from the Global Training Initiative (GTI). There are other opportunities through the Office of International Service and Study Abroad, as well as COIL activities coordinated at this time by the NC Japan Center. We have assigned one item to each group. Once you are in your groups, please click on the link (if one is provided), read about the initiative, and discuss how to encourage faculty to participate. We will then reconvene as a committee and report on the outcome of our group discussions.

Group 1: Research Mentor [Global Education, Academics, and Research Skills (GEARs) Program] <https://gti.ncsu.edu/gears/gears-faculty-mentors/>

Group 2: Would you like to include cultural competency principles and practices in your course? [Developing Cultural Competency certificate](#). Contact: rcibuls@ncsu.edu

Group 3: International Student Mentor Program (Volunteer)
