Seed Grants: We would like to improve this process in the future

- We had heavy Agriculture and Life Science applicants
- Traditionally we budget for 6-8 seed grants (\$30,000-\$40,000). We can offset our budget with the Henry Kelly Japan award.
- We will circle back and check the amounts applicants asked for
- Electing a Chair for next year
 - CIP is the faculty conscience for global engagement
 - Seth self-nominate for Chair
 - 2 week nomination period
- We will have a Global 3d on the European Center in Prague on 4/12
