Directions to 2CR

The entrance to D. H. Hill is on the ground level. Take the Tower elevators (located to the right of the Express Desk) to the second floor. When you exit the elevator, turn to your left and then take another left and go down the aisle between the study carrels and the bookstacks. At the end of the aisle, take a left, go through the breezeway into the East Wing, and continue to go straight. You will see a row of office doors to your left and immediately in front of you is the door for room 2111.
