RECOMMENDATION

The committee recommended the acceptance of the following proposals brought forward for

- Marriott hotel located on Centennial Campus, with some reservations regarding the lack of more environmental initiatives, such as a green roof, and increased green infrastructure implementation
- Endorsed the 2016-2017 proposed transportation and fee report
- Endorsed the suspension of the Physical Environment Committee as a standing committee due to the duplication of duties with other campus committees

SUMMARY OF DISCUSSION ITEMS/ACTIVITIES OF COMMITTEE

The committee determined it best to suspend the PEC due to duplication of duties with other campus committees. It was noted though, that the PEC did provide a broader perspective than other committees because its members were selected from the entire population of faculty, staff, and students. The members also decided that if needed the committee could be reconstituted as needed in an advisory capacity.

RECOMMENDATION FOR REVISION OF CHARGE AND/OR MEMBERSHIP CONFIGURATION (if applicable)

The committee was disbanded on March 3, 2016
