

MEMORANDUM

TO: Strengthening University-Wide Interdisciplinarity Task Force

FROM: Fred Wright  
Director, Bioinformatics Research Center   
D. Paul Lunn  
Dean, College of Veterinary Medicine 

CC: Kelly Wick

SUBJECT: Agenda for April 17, 2020 meeting at 3-5 p.m.

DATE: April 15, 2020

We propose the following agenda for our forthcoming meeting:

1. Approval of April 3 meeting minutes
2. Review and finalize survey for distribution (Potential survey questions sub-group)
  - a. Review the draft survey before the meeting
  - b. Proposed survey open dates: April 20 – 30 (10 days)
3. Other sub-group report status updates
  - a. Why do we need and want ID (Harries)
  - b. Measurements of success (Horowitz)
  - c. Models of success (Piedrahita)
4. Re-aligning sub-groups: planning for draft report (*Task Force charge below for reference*)
  - a. Describe the central challenges facing NC State that are key to our success in this area.
  - b. Provide a brief overview of where we stand relative to facing those challenges, including initiatives that were started in the Pathway to the Future Strategic Plan including progress made.
  - c. Propose and prioritize 2 to 5 themes to be addressed in the next strategic plan.
  - d. Create initiatives or strategies that would make progress within those themes.
5. Next meeting date discussion: May 1 (two weeks) or May 8 (three weeks) from 3-5 p.m. via Zoom
