Guest said these are more involved in the real world settings. Member asked how the SS concepts are addressed; guest responded that the SS concepts are ingrained in the real world settings. Guest spoke on written assignments involved in SS with specific examples. Guest provided example of teachings about the cultures of areas the military may go instead of coming in "with an iron fist". Member asked if this course aligns with Airforce and Navy SS GEP courses, guest answered yes, they have met with other ROTC members to set the SS GEP up in a similar way. Member expressed concerns about the SS examples, but would like to keep the ROTC Army, Navy, and Airforce in the same standards. Member expressed concerns about ROTC students would only take SS GEP courses only through the military. Members brought attention to the rule that
