WELCOME AND INTRODUCTIONS

- *Remarks from Chair Daniel Monek* – Had the members and guest introduce themselves and welcomed the committee. These actions can come forward at any time and will be placed on the consent agenda of CUE and will proceed through the CIM workflow. Li will send an e-mail about this after the meeting.
- *Remarks and Updates from OUCCAS/DASA* – Supported Chair comment regarding drop actions and informed that actions being tabled or starting the sunseting process this meeting or the rest of the term will have the GEP category removed as of Spring 2020 and will have until Spring 2020 scheduling closes in early September 2019.

NEW BUSINESS**GER>GEP Review**

- **AFS 241 Introduction to African American Studies:** (HUM, USD) – Approved with Friendly Suggestion
Discussion: Motion to approve by member James Knowles. Member made the friendly suggestion to add the phrase “slave trade” to the word “transatlantic” in USD Objective 2 in order to clarify its alignment. Members said that the course illustrated nice connections between measures and objectives and used good verbs.
- **AFS 342 Introduction to the African Diaspora:** (HUM, GK) – Approved Pending
Discussion: Motion to approve by member James Knowles. Member brought up that in Objective 1 of both HUM and GK, students will be asked to “demonstrate knowledge,” which the Office of Assessment confirmed is not measurable. As other verbs such as “describe” could easily be substituted to make the outcome measurable, members voted unanimously to amend the motion to approved pending.

- **AFS 442 Issues in the African Diaspora:** (HUM, drop GK) – Approved with Friendly Suggestion
