SUMMARY OF DISCUSSION ITEMS/ACTIVITIES OF COMMITTEE

Discussion items for both fall 2024 and spring 2025 meetings:

- Admission updates for fall 2024 entering new students. Spring 2025 meeting—admission trends for fall 2025 entering new students. Historical application growth and capacity maximum for first year students given the on-campus living requirement. Growth potential for transfer students, particularly students from the NC community college system.
- Appeals updates for new format of having appeals reviewed outside of Admissions Committee. More sustained resources and outreach available to students with the new format.
