Review and approval of minutes from September 1, 2020

Discussion of adjustments for COVID

- Seeing more withdrawals but NCSU options for late drops and S/Us seem to be helping mitigate impact
- NCSU admissions not requiring SAT/ACT scores; final transcript review is interesting; HS students not getting S/U option; not seeing negative impact on application numbers
- Evaluating incoming graduate applications and advising current students planning to apply to graduate school: graduate student applications will be broadly impacted as most domestic and international colleges and universities have had to make adjustments regarding grades

Reviewed the [process for evaluating and voting](#) on appeals, deadlines, and overall timelines for review process (breakout rooms)

Open Discussion and call for topics to discuss at subsequent meetings

- No pending new topics
