Attendees: Ronnie Chalmers, Lauren Ball, Krispin Barr, Connor Brady, William Bauer, Pete Fraccaroli

1. **Call to Order** – Krispin Barr, Asst. Teaching Professor, ELPHD/Chair
Chair Krispin Barr called the meeting to order.
2. **Welcome and Introductions** - Chair Barr welcomed members of the committee and guest speaker Pete Fraccaroli, Director of Facilities and Business Operations.
3. **Business Item - University Housing Updates and Facilities Team Overview:**

Director of Facilities and Business Operations Pete Fraccaroli provided an overview of the work of the facilities team and explained the professional philosophy that supported their planning process and work ethic, particularly their commitment to a timely and expert response to student needs. He engaged with our committee in a discussion regarding plans for managing enrollment projections that will continue to emerge over the course of the spring semester. In light of the university's goals for increasing enrollment, he confirmed plans for the university to close on the purchase of University Towers following the end of the spring semester to support a sustained increase in housing capacity.

Other Business/Additions to Agenda: None.

Items for Next Meeting: Chair Barr invited committee members to send agenda items for the next and future meetings.
